Dompap (N) Domherre (S) Dompfaff (D) Bullfinch (E) Punatulkku (F) Pyrrhula pyrrhula (Latin)

Whatever you call these bright little birds, their color (their scientific names translates as fire-red fire-red) and rotund contours make them a favorite at birdfeeders across Scandinavia, Russia, and Asia. They are also a popular subject for photographers and artists; this page highlights gifts that celebrate a beloved little bird, enough for every bird lover!
